# & OTHER ADVENTURES

**The perfect vacations are always accompanied by some adventure!**

In the District, our purpose is to provide you with the highest level of service, security and professionalism while you seek your adventure. We want you to enjoy life to the fullest, whilst making better use of your precious time.

We know the people, the best suppliers, the most reliable services, the most awesome excursions, fantastic tours, amazing diving spots and the ins and outs of Tulum's attractions.

## EXPEDITION

### **Cultural**

Tulum is well known as a cradle for artists from all around the world. Hundreds of artistic nomads such as designers, architects, sculptors, musicians and painters from around the world gather together to create unique pieces and place them in special spots around town. From the famous "Vente a la Luz" sculpture located in front of Hotel Ahau to live music events that fill the town with emotions, Tulum has a never ending cultural experience for all tastes. We will always be happy to refer you to best spots to enjoy all these experiences!

### **Archeological**

Many people know Tulum because of its history and famous archaeological sites. Tulum was one of the most significant Mayan cities of the thirteenth and fourteenth centuries. It was an essential stopover for the trade routes of the Mayans, in their exploitation of the maritime riches of the coasts of current Quintana Roo.

### **Nature**

Tulum is also well known for its biodiversity of flora and fauna. It's a place where you can find unique species and experience them closely. There are tours that offer a better understanding of our nature by taking you to cenotes, diving with whale sharks, sea turtles or visiting monkey sanctuaries.

### **Gastronomic**

Food in Tulum is also considered art. That's why Tulum is quickly becoming a gastronomical capital. With new restaurants opening every day that offer different culinary experiences. As many other artists, Chefs are quickly coming to Tulum to learn, experience and share their knowledge with the world. And we have the best spots for you to taste all this talent!

### **Water Adventures**

The Mexican Riviera is also known for the water adventures you can experience and Tulum is not the exception. From adventure parks like Xcaret to other places that connect you to nature like the Sian Ka'an natural park which is located only minutes away from our hotel, there are many tours and expeditions that will make your stay fun and exciting! Ask for our best recommendations in Front Desk!

\*All external services we recommend come from suppliers that have been curated to provide our customers with the best experiences.

## RENTALS

### **Bikes**

The best way of getting to know Tulum! Bicycles are always the best option when trying to move from one place to another in the beach zone. We always have bikes available for our guest, rent yours with Front Desk!

### **Scooters**

In the mood of going further away? We have suppliers that can provide you with scooters so you can freely explore the area easier and faster!

### **ATVs**

In the mood of some adventure? You will love renting an ATV to get around. ATVs are always fun if you are looking to explore a little more the jungle!

### **Kayaks**

Adventures are not just found in land! You can always rent kayaks to explore the sea and all its marvels!

### **Planes / Helicopters**

The ultimate experience in Tulum is to see everything from above! We have suppliers that can take you in private plane and helicopter rides. Meet the whole riviera from above!

### **Boats / Yachts**

Interested on taking the party to another level? Or just want to connect with nature by doing some fishing? We have suppliers that can make that happen! Just let us know the type of sea adventure you are looking for and we will find you the perfect experience.

### **Cars**

Sometimes getting around in Tulum can be a little difficult. Specially if you are planning on visiting places around the area that might be at a walking distance. For these reasons we recommend our guest to rent cars if they wish to go cenote hopping away from the beach road or to other towns located close to Tulum. Road trips are always the best way of getting to know the area!

\*All external services we recommend come from suppliers that have been curated to provide our customers with the best experiences.

*Yes!* you can have it all!

## HOTEL BUYOUT

Both Hotel Panamera requires a minimum of three nights and one F&B events at one of our two restaurants on property. Please note: Our property is an adult only hotel and children are only allowed in the rooms with a buyout.

## ROOM BLOCKS

*And...* what else?!

## EXTRAS

### **Photoshoot**

Tulum is a magical spot, and we understand if you are looking to frame this place, moment and memory forever. We work with a variety of photographers that can help you.

### **Bottles**

Nothing calls for celebration better than a bottle! You can purchase your favorite bottle and have it served in your room.

### **Flowers**

She will never say no to flowers! If you are planning on giving just a nice surprise to your partner, flowers are always the best option. They will lighten the room and the day!

### **Upgrades**

Liked any of our other rooms better? You can always upgrade your stay to a better category. Some of them include much bigger spaces, amenities and views to enjoy!

### **Other Personal Requests**

Remember our team endeavors to make your experience at the District just perfect. All you need to do is message us with your thoughts and we will make sure to make that happen!

\*All external services we recommend come from suppliers that have been curated to provide our customers with the best experiences.
